BEEKEEPING DEPARTMENT DIVISION 4 COOKING WITH HONEY & SPIRITS

RULES AND REGULATIONS

General Rules & Regulations on first page apply as well as the following:

(Duplication of any recipe within any one class, submitted by more than one member of the same family, will be disqualified.)

1. All entries in **Division 4**, except Section P and Section R, Class 2, must have recipes attached on 8 ½ x 11 sheet(s) of paper, double spaced, with writing or printing on ONE SIDE ONLY. Recipes must contain ingredients as well as directions for mixing, cooking, baking, canning, etc. **This rule includes pie crusts, pie fillings, frostings, or any other items used. Failure to submit full recipes will mean automatic disqualification.**
2. Only the end product must be the entry of the exhibitor, not the ingredients.
3. Entries in Section P, Class 1 **must** be in a reusable, glass beer type bottle, containing 12 oz. or more and have plain crown caps.
4. Honey beer must be of a pilsner style, pale yellow to gold in color, contain 2 or more pounds of honey per 5 gallons. Honey must be apparent in the taste.
5. Entries in Section P, Classes 2 thru 5, should be exhibited in standard wine bottles containing 750 ml. Bottles should have well-rounded shoulders. Sparkling wines **must be** exhibited in champagne type bottles. Natural cork stoppers must be used for still wines and domed plastic stoppers **must be** used for sparkling wines.
6. Still wines should be so filled that when the cork is pushed home, the air space is between ¼ and 1 ½ inches in depth. Sparkling wines should have an air space of 1 to 1 ½ inches.
7. All entries in Section P **must** contain honey in the final product. A list of ingredients must accompany the entry on a 8-1/2"x11" sheet of paper.
8. Liqueurs **must** use a 375 ml. Wine bottle with well-rounded shoulders.
9. No labels or markings of any kind allowed on the caps or bottles.
10. Entries in Section Q, thru Section Y, unless otherwise stated, **must** contain 25% honey as a sweetening agent. Example; use ¾ cup of sugar and ¼ cup of honey. Pie crusts and frostings are exempt for the 25% requirement.
11. Section V, Class 4 is for a Challenge Recipe as follows:

HONEY APRICOT CINNAMON BRAID (MAKES 1 LOAF)

RECIPE: COURTESY OF NATIONAL HONEY BOARD

INGREDIENTS

3 to 3½ cups all-purpose flour	1 package fast-rising yeast
½ cup of milk	¼ cup honey
¼ cup water	1 teaspoon ground cinnamon
1 teaspoon salt	3 tablespoons butter
½ cup finely chopped dried apricots	1 egg
honey, for glaze	

DIRECTIONS

In large bowl, combine 2 cups flour, undissolved yeast, cinnamon and salt. Heat milk, honey, water and butter until very warm (120 to 130 degrees); stir into dry ingredients. Stir in egg and enough remaining flour to make soft dough. Knead on lightly floured surface until smooth and elastic, about 6 to 8 minutes. Cover; let rest 10 minutes. Knead in apricots. Divide dough into 3 equal pieces; roll to 12-inch ropes. Braid rope; pinch ends to seal. Place on large greased baking sheet. Cover; let rise in warm, draft-free place until doubled in size, about 40 to 60 minutes.

Bake at 350 degrees for 25 to 30 minutes or until done. Remove from oven; brush top of loaf with honey. Remove from sheet; cool on wire rack. Bread machine variation: Measure 3 cups all-purpose flour and other ingredients into bread machine pan as suggested by manufacturer. Process on dough/manual cycle. When complete, remove dough to floured surface; knead in additional flour if necessary to make dough easy to handle. Shape dough and proceed as directed.

12. All containers are exhibited at the owner's risk. For return, name must be on the bottom of the container.
13. All entries become the property of the Beekeeping Department and **will not be returned.**
14. The exhibitor, by entering recipes, agrees that they may be used in publications at any time without payment or compensation other than an acknowledgment.

SECTION P: BEER, MEAD, LIQUEURS

Awards made for taste, clarity, etc.

Awards: FIRST \$15.00 SECOND \$10.00 THIRD \$5.00

2. Mead - dry
3. Mead - sweet
4. Mead made with fruit, berries, etc.
5. Mead - sparkling, made with or without fruit or berries
6. Liqueurs - clear glass bottle - 375 ML

"COOKING WITH HONEY HINTS"

- Substitute $\frac{3}{4}$ cup of honey for 1 cup of sugar. Reduce total amount of other liquids by $\frac{1}{4}$ cup per cup of honey.
- Lower baking temperature 25 to 30 degrees to prevent over-browning.
- When using honey in cooking, moisten the measuring spoon or cup first with water or oil and then measure the honey. This will eliminate sticking.
- To neutralize honey's natural acidity, add $\frac{1}{2}$ teaspoon of baking soda to the ingredients per cup of honey. However, when sour milk is used with honey in a recipe, you may omit the extra soda.
- Foods sweetened with honey will have a better flavor if kept until the day after baking before being served. Store honey at room temperature, not in the refrigerator. Always keep the container tightly closed and in a dry place.
- To bring crystallized honey back to its natural liquid state, place container of honey in a pan of warm water until crystals disappear.
