

2019 TOPSFIELD FAIR COLORING CONTEST

The Topsfield Fair is the oldest agricultural fair in the country. Use your creativity to color in the garden above. Whether it's the start of a vegetable, a fruit or a grain, all plants start as seeds and are a big part of agriculture and what we need to live a healthy lifestyle. First place winners will receive a family four pack of admission and ride tickets!

Deadline: Wednesday, September 18th 2019
