

Name: _____

Date: _____

Johnny Appleseed

Use the passage to answer the questions below. Underline your answers in the passage.

Johnny Appleseed was born in Massachusetts, but traveled to Pennsylvania, Ohio, Kentucky, Indiana, and Illinois to share the joy of the apple with others. He spread apple seeds everywhere he went and helped plant nurseries! His real name was actually Johnny Chapman and gained the nickname after his love for apples. The trees that grew from spreading apple seeds produced cider and syrup!

Answer the following questions. Be sure to double check your answer!

1. What kind of seeds did Johnny Appleseed spread?

2. Where was he born?

3. How many states did Johnny travel to? What were they?

4. What was Johnny Appleseed's real name?
