

Cow Puppet

Supplies:

- 2 Large Googly Eyes
- Pink, White, Black, and Green Colored Paper
- Popsicle Stick
- Black Crayons, Markers, or Colored Pencils
- Tape

Directions:

1. Cut out white head piece, white ears, pink nose, and black spots. Cut out green strips and crinkle the pieces up so they look like grass.
2. Have the students glue all the pieces onto the cows head. Except for the grass pieces. (best to do that last)
3. Have the students glue on the two googly eyes.
4. Then the students can draw on the nostrils and cows mouth.
5. Tape a Popsicle stick to the back of the cow.
6. Then have the students add the grass to the cow's mouth by gluing the green crinkled paper to the mouth.
