Honeybee Graphing

Use the points below to help Harry the honeybee return to his beehive. Don't forget to connect the lines between each point you plot on the graph. Be sure to write down the **start** and **home** points before beginning the journey.

Start _____	7. (3,1)	12. (5.5,0)
2. (2,3)	8.(3.5,2)	Home _____
3. (3,5)	9.(4,0)	
4. (4,4)	10.(6,5)	
5. (2,2)	11.(5,1)
