

Name: _____

Date: _____

The Story of Milk: From the Cow to the Cup

1. A cow eats up to 8 times a day and likes cereal, chips, and cottonseed.

2. A parlor is where the cows are milked. The cow's udder holds the milk.

3. Special trucks keeps the raw milk cold.

I hope you enjoyed learning about milk.

After visiting the website www.moomilk.com, please complete both parts of the worksheet.

4. The processing plant pasteurizes the milk so we can drink it.

5. The milk is ready for us to drink. We buy it at the grocery store.
