Co-Chairperson- Emily Enos- Beverly, MA

RULES AND REGULATIONS

1. Enter TWO JARS of uniform size in each class.
2. Each product must be labeled as to product, date processed, processing method, processing time and your exhibitor number.
3. Acid Foods - Fruits, tomatoes and pickled vegetables may be processed in a boiling water bath canner. For tomatoes, use the hot pack method, process pints 35 minutes, quarts 45 minutes. To ensure consumer safety and remove doubt about acidity levels in tomatoes, add ¼ teaspoon citric acid per pint or ½ teaspoon per quart; or add 1 tablespoon reconstituted lemon juice per pint or 2 tablespoons per quart. (Fresh lemon juice should not be used because the acidity varies.)
4. Vegetables- Including Garden Special- Process in pressure canner.

5. Jellies, Jams, Preserves and Marmalades - use canning jars and process in boiling water- bath-canner. Paraffin tends to loosen and break on those products.
6. Jars with broken seals will be disqualified.
7. Awards will be 1st – 6th in each class. Only those will be awarded premium money.
Some of the criteria the judges will be considering are:
