AGRICULTURAL ADVENTURE

Experience the adventure of the Fair! Visit each of the 9 stops around the Fairgrounds and find the Agricultural Adventure Boards (don't worry you can't miss them). Once you take your picture and learn a little about that barn, stamp your map at each location. Collect all 9 stamps and win a Special Agricultural Adventure ribbon, by turning in your map at the Education Shed, Information Booths or Administration Building (marked with a on the map)!
