

TEACHER PREVIEW NIGHT!

WHEN:

2026 Topsfield Fair – Prior to your Field Trip!

WHY:

To navigate the fairgrounds prior to your field trip to avoid any stress on the day of your field trip. (This is an optional event for teachers.)

DESCRIPTION:

Returning this year, we would like to invite educators to come explore and familiarize themselves with the fairgrounds prior to the field trip day. For teachers who sign up prior to September 16, 2026, we will provide two admission tickets to come to the Topsfield Fair prior to your field trip day.

We understand that it can be overwhelming bringing your students to a busy fairground and in acknowledging this we would like to offer this opportunity again this year! There is no required day to come, admission tickets are valid for any day of the 2026 Topsfield Fair.
